## Crockery & Cutlery Cleaning Guide

If you do not wish to wash the china you are more than welcome to pay the cleaning fee. If you elect to clean the china but it is not properly clean, your entire order will be re-washed and regrettably you will be charged the cleaning fee. To ensure you will not be charged the cleaning fee, please follow these simple steps:

- Linen must be washed according to care instructions. **Absolutely no clothes dryer**
- Carefully wash all cutlery and glassware & crockery with soapy warm water using a soft sponge the same day they were used. This makes cleaning much easier and helps avoid permanent stains. **Absolutely no dishwasher**
- Let the items dry
- Inspect all teacups for traces of lipstick, grease, dried tea residue on the bottom
- Inspect all saucers for traces of grease, food or dried tea residue
- Inspect all cake plates for traces of grease, food crumbs or stains.
- Inspect all teapots for grease on the handles, tea residue inside as well as tea stains on the rim under the lid
- Inspect all tiered cake stands for traces of food, grease or stains
- Inspect the cutlery for traces of grease, dried food or stains.
- Inspect all other miscellaneous items that came in contact with food or liquids for grease or stains.
- Rewash all items that are not thoroughly clean & let the items dry before repacking.
- Absolutely no Dishwasher because it will cause irreversible damage. Regrettably you will be charged the cost of replacement for every item that went into the dishwasher.

*Thank you for taking care of our beautiful china.*

*Your consideration guarantees that other people will also enjoy it for years to come!*
